Reciprocal Agreement Between the States of Arizona and Missouri to Increase Customer Access to Training offered by WIOA Title I Eligible Training Providers

The State of Arizona and State of Missouri enter into this reciprocal agreement to broaden the choice of training options and training localities available to eligible adults, dislocated workers, and out-of-school youth who qualify for Workforce Innovation and Opportunity Act (WIOA) Title I Individual Training Accounts (ITAs).

WIOA Section 122(g) encourages states to enter into agreements on a reciprocal basis, to permit eligible providers of training services to accept individual training accounts provided in another state.

Agreement

Arizona and Missouri each agree to maintain a publicly accessible statewide WIOA Title I Eligible Training Provider List (ETPL).

To increase customer choice, the State of Missouri agrees to permit eligible training providers to accept ITAs for qualifying Arizona participants to enroll in a training program identified on the State of Missouri's ETPL. Final approval for using an Arizona funded ITA at a Missouri school rests with the Local Workforce Development Area in Arizona providing the WIOA Title I Adult, Dislocated Worker or Youth Program. WIOA Title I case managers in Arizona must follow the requirements of WIOA section 134(c) (3) and Arizona's WIOA Title I policies. Local policies may affect the terms of an individual training plan and individual financial feasibility plan.

This agreement may be rescinded when either party provides a 30-day written notification to the other of its intent to rescind the agreement, or both parties agree in writing to rescind the agreement by a mutually agreed upon date.

The reciprocal agreement between the States of Arizona and Missouri shall be in effect from the date the signatory process is complete and until modified or rescinded.

Any grievances that arise regarding client training services will be addressed and followed up by the participant's case manager.
